

LASTS LONGER

**EXTRA
HEAVY
DUTY**

**OPTIMA
PRIME**

Century Optima Prime designed with extra heavy duty features and tropicalized plate - the new technology maintenance-free battery. Its all new design enhances your driving experience by providing optimum battery life - a prime characteristic of an excellent battery. *MORE LIFE, MORE STARTS.*

Longer Battery Lifespan

- ★ Tropicalised plates ensure optimal performance of battery cells despite high temperatures resulting in longer life.

Improved Corrosion Resistance

- ★ The improved technology and anti-sulfation electrolyte increases recharging ability significantly.

Higher and Consistent Power

- ★ The enhanced active material optimizes the charge/discharge process.
